Standard Terms

28 Days from receipt of invoice, referencing SPI's 7 digit PRO number (SPT-XXXXXXX) along with required proof of delivery as per signed load confirmation.

Avoid mail delays - Carrier invoice and supporting proof of delivery can be emailed or faxed to SPI. Aging will start from the date SPI receives the email or fax. Original invoice and backup paperwork is still required for payment to be released.

Quickpay - Faster payment options are available including Quick Pay on one time loads, or more permanent rates for one or two week terms. Proper documentation is required and a finance or other charges may apply.
